

PUBLIC DAILY LEDGER

SIXTH YEAR.

MAYSVILLE, KY., SATURDAY, SEPTEMBER 25, 1897.

ONE CENT.

Spoke & Circulation
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give his circulation for any other purpose than to give his readers the best of the news of the day. The columns are his stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

Hechinger & Co., Headquarters For Fair Visitors.

It has always been our custom to make our large, commodious store-rooms headquarters for visitors to our Fair. If you have anything with you you want taken care of bring it in. It is a pleasure to us to accommodate you. We are also headquarters for the

Best Men's and Boys' Clothing, Furnish- ing Goods, Hats, Men's and Boys' Shoes in the State.

Just a few words about our Store: Many people know the reputation of the Smith & Stoughton Shoes. There are some that do not, but just now it looks as if everybody will know the Smith & Stoughton Shoes. Our sales on these goods, considering that we have them in but a few days, is marvelous. The fit of our shoes is great, a thing for a customer to try on the second pair. The best fitting and feeling shoes I ever put on, is the common remark made upon putting on a pair of our Smith & Stoughton Shoes. See our window display.

Fall Suits

.....AND.....

She was a woman much beloved by all who knew her, and her death will cause regret among a large circle of friends.
